give gratitude

from a heart of **thanksgiving**

Sharing encouragement and love can bring hope and healing (for both the giver and the receiver). Let's be generous with our gratitude! Think of someone; share some time, bring some joy. You're encouraged to be intentional - pick one, choose them all, or craft your own. How can these simple actions make a difference? Why not give one a try and see what happens?

*And let us consider how to stir up one another to love and good works,
